Please note that it is the duty of all Orthodox Christians to be very reverend in all matters relating to their personal salvation. Holy confession is a central theme and Eternal Life Salvation matter. Approaching this Mystery with a lack of seriousness or just something to do, will in no way aid in your struggles. Please be punctual and prepared. Anyone needing help or direction, please speak with priest.

(\*) Everybody must come for a confession prior to the Communion. It is the best practice to come for **Holy Confession the night before at the all-night vigil**. In some emergency cases it can also be done in the morning of Liturgy at 9:40 am.
